SPSA
SOUTHERN
POLITICAL SCIENCE ASSOCIATION
89TH ANNUAL CONFERENCE

Dear 2018 SPSA conference participants,

Greetings and welcome to the 2018 meeting of the Southern Political Science Association! This is the 89th conference of one of the oldest professional associations within political science. Scholars and practitioners from all over the world have gathered to exchange ideas. More than 1,200 participants are taking advantage of this great opportunity.

There is something for everyone at this conference! SPSA Vice-President and Program Chair Sandra K. Schneider and her Program Committee have put together an excellent and diverse program, including 39 organized sections and 355 panels. This past year has been a busy one for students of politics. The results of the 2016 election affected everything, and this is reflected in the program. Donald Trump had not begun his term when SPSA last met; now we have almost a year of experience. Events in Spain and the United Kingdom have shown that secession is far from a dead issue in federalism and intergovernmental relations. The analyses look forward to the future and back to the past.

For the seventh year, we are continuing a unique feature of the SPSA annual meetings by including 29 Conference within the Conference panels. These “mini-conferences provide several coordinated panels organized around a common theme. They have become as popular among SPSA participants as the traditional panels and roundtables.

I want to call your attention to several special events at the annual meeting. First, the former governor of Michigan, James Blanchard, will give the Pi Sigma Alpha address on Thursday, January 4, at 6:30 PM. He comes highly recommended as a speaker. Second, the Business Meeting and Awards Presentation will occur at 12 noon the next day, Friday, January 5. The final formal event is my SPSA Presidential Address at 6:30 Friday evening. Receptions follow all these events. I look forward to seeing you there.

While we will focus on scholarship and professional matters, we urge you to spend time enjoying New Orleans! Those of you who are visiting this unique city for the first time will discover its rich cultural, historical, musical, and culinary offerings. The rest of us welcome opportunities to revisit them. Why not come for the New Year and spend a few extra days?

Thank you all for participating in the 2018 SPSA annual Meeting. I know you will have a great experience combining work and pleasure. I look forward to seeing all of you around the conference.

Judith A. Baer
SPSA President

Governor James Blanchard

Partner DLA Piper, Chair Emeritus, Government Affairs Practic Group

Thursday, January 4 | 6:30 P.M. | Empire A

James Blanchard has served in the United States House of Representatives, as the 45th Governor of Michigan, and as United States Ambassador to Canada. Governor James Blanchard joined DLA Piper upon the conclusion of his duties as United States ambassador to Canada in April 1996. In recognition of his outstanding performance as ambassador, Secretary of State Warren Christopher presented Governor Blanchard with the Foreign Affairs Award for Public Service in a ceremony at the Department of State, making him one of only a handful of ambassadors to receive this prestigious award.

James was named ambassador to Canada in May 1993, after serving two terms as governor of Michigan (1983 -1991) and four terms as a member of the United States Congress (1975 -1983). In 1992, he chaired President Bill Clinton's successful campaign in Michigan. Governor Blanchard is also former chairman of the Democratic Governors Association and the National Democratic Platform Committee, as well as a former member of the National Governors Association's executive committee.

Newsweek credited Governor Blanchard with leading "one of the most dramatic economic turnabouts in the recent history of state government," and national publications such as *US News and World Report* listed him among the best governors in America, one of the innovators and energizers who made things work in an era of declining federal aid.

Before running for governor, he served in Congress. Prior to his election to Congress, from 1969 to 1974 Governor Blanchard was assistant attorney general of Michigan.

In 2008, at the invitation of Jean Chretien, he was a special guest at the InterAction Council's 26th Annual Plenary Meeting in Stockholm. The InterAction Council brings together former world leaders who look beyond the immediacy of current issues and the limitations of national interests to focus on the long-term structural factors driving the global agenda. Its three priority areas are peace and security, world economic revitalization and universal ethical standards.

Governor Blanchard authored *Behind the Embassy Door*, a book highlighting his experiences as ambassador. He serves on the board of directors of several corporations and, in February 2005, co-chaired the American Assembly project on US-Canada relations, hosted and sponsored by Columbia University. Governor Blanchard served on Senator Hillary Clinton's national finance committee.

GETTING AROUND

Taxis: There are hundreds of taxis available on New Orleans' streets and at major hotels. Taxi rates are \$3.50 plus \$2 per mile (.25 per one-eighth mile) thereafter. There is also an additional charge of \$1.00 per passenger after the first passenger.

St. Charles Avenue Streetcar: Ride through the Crescent City on a national historic landmark that only costs \$1.25. Streetcars have been rumbling along St. Charles Avenue for more than 165 years. This route runs more than 13 miles downtown from Canal Street along St. Charles Avenue, past Greek Revival mansions and raised cottages, Tulane University and Audubon Park, and beyond the shops at the Riverbend, where it takes a right-hand turn onto Carrollton Avenue.

Riverfront Streetcar: For \$1.25, you can ride the traditional green or newer red streetcars. This two-mile route includes stops at all the right places: the Convention Center at Julia Street, Riverwalk, the Audubon Aquarium of the Americas, the French Market and the Old U.S. Mint on Esplanade Avenue.

Canal/Carrollton Streetcar: The re-established streetcar line in New Orleans runs the length of Canal Street for only \$1.25.

This is the original "Cemeteries" line, which runs from the Mississippi River to the cemeteries located at the mid-city end of Canal Street. Along the line there is a Carrollton Spur, which will take you to beautiful City Park, home of the New Orleans Museum of Art and the New Orleans Botanical Gardens.

Loyola Avenue Streetcar: The Loyola Avenue Streetcar is the newest streetcar line that links the Union Passenger train terminal, the Hyatt Regency New Orleans Hotel, the Mercedes-Benz Superdome, City Hall, the public library and downtown hospitals. For a \$1.25, these links connect the Sports District to the Central Business District, French Quarter and Warehouse/Arts District.

Pedicabs: Pedicabs allow New Orleans visitors and residents a unique mode of transportation through the city while also being able to appreciate the historic landmarks, city activity and wonderful views. These more modern forms of rickshaws carry passengers throughout the downtown area of New Orleans using human energy, allowing for a cleaner, greener form of transport.

MINI- CONFERENCES

In 2018 the SPSA continues the innovation introduced six years ago of hosting extended discussions organized around a single theme. These mini-conferences offer the opportunity for a small community of scholars to set aside time together within the larger meeting. A room is set aside for the time requested, in which between 3 and 8 regular sessions occur in succession. Whether these sessions are scheduled on a single day or straddling two days depends on the preferences of the organizer. Some are stand-alone sessions, while others are integrated with their related research section.

If you are interested in organizing a mini-conference to be held in conjunction with the 2019 SPSA meeting, contact Christopher Wlezien (the 2019 Program Chair).
